## Cigar Makers Apartment KW Monthly

This delightful 2 Bedroom Cigar Maker's Cottage at 1008 Whitehead was built in the 1880's, where there was once a Cigar Factory across the street on Truman Ave. It's history also includes the previous owner, David Kaufelt, a well-known Key West writer. Quaint and charming, with a view of the famous Key West Lighthouse from the front of the house, this two bedroom (a full and two twins which can be made into a king bed if requested) is a cozy oasis just a half block from Hemingway's House and a short block from Duval Street. Featuring original Key West artists throughout, the casually refined living room has a TV/DVD player. The kitchen is fully
